ABOUT US

Experienced in Commercial and Industrial Markets

IFS is a privately held company headquartered in Middle Tennessee with two locations, a combined 30,000sqft manufacturing space.

Our managing partners have a combined 50+ years' experience in commercial, and industrial markets. We hold multiple contractor licenses throughout the US, along with Project Managers and Skilled Tradesman Nationwide.

IFS stays committed to customer satisfaction, complete multi-trade coverage and continuous improvement as technology progresses.

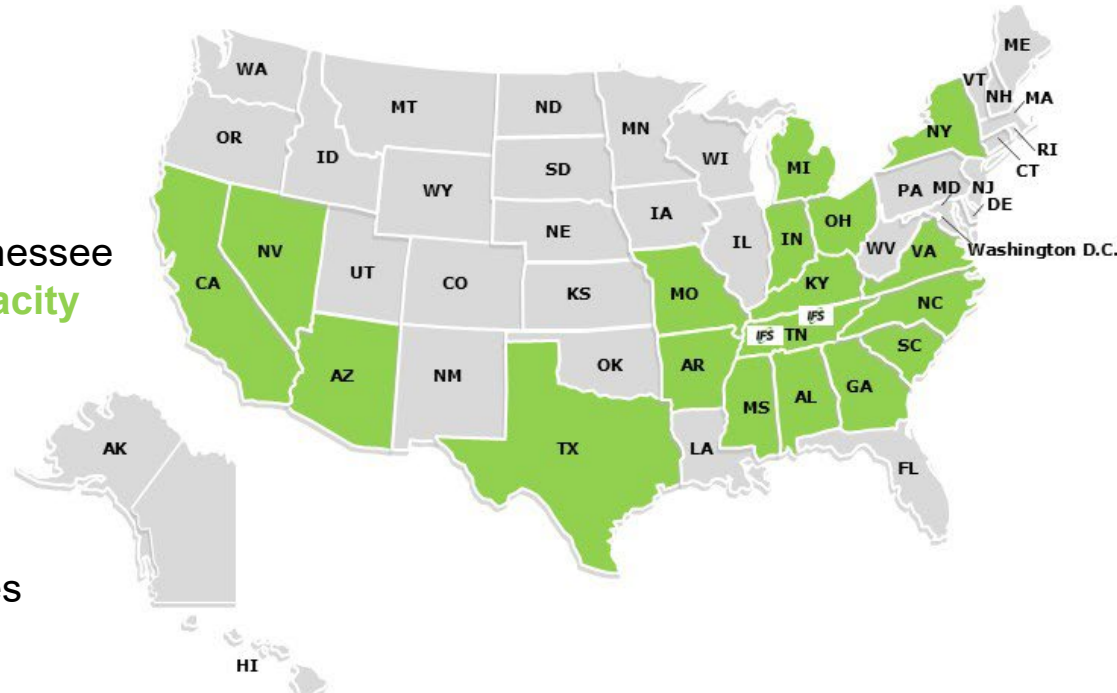

We excel in quality workmanship and safety.

COMPANY OVERVIEW

- 50+ years experience
 - **Company Capabilities:**
 - Multi-Trade Contractor
 - Industrial Maintenance
 - Construction Services
 - System Integration
 - Multiple office locations in middle Tennessee
 - **30,000sqft Manufacturing Capacity**
 - Licensed across the US
 - **Company Safety:**
 - ISNetworld
 - Avetta
 - OSHA Certified Employees
 - Site Safety Management Services
- 

Industry Experience

- Automotive
- Aerospace
- Airport
- Commercial
- Cement and Aggregate
- Department of Defense
- Food and Beverage
- Heavy Industrial
- Health Care Products
- Logistics and Distribution
- Municipality and Institutional
- Pharmaceutical
- Power Generation
- Steel Mills

ELECTRICAL

Commercial and Industrial

- Chillers and Heat Exchangers
- Class I Division II
- Equipment Installation and Relocation
- Equipment Utility Drops
- Field Studies
- Instrumentation
- Parking Garages
- Plant commissioning
- Lighting upgrades and retrofits
- New construction
- Stand-by Generators

Systems Integration

- Automation Systems
- Bonding and Grounding
- Cable Tray Pre-Fab and Installation
- Commissioning and SOP Support
- VFD Retrofits
- Robotics and Conveyance

Low Voltage and Data

- Audio and Video
- CAT6
- Fiber
- Networking Topology

Manufacturing

- Control Panels Fabrication (UL)
- Power Distribution Panels
- HMI Enclosures
- Remote IO
- Safety IO
- Specialty Cables
- Machine Labeling

Outage and Maintenance Support

- Emergency Services
- Flir Camera Services
- Staff Augmentation

MANUFACTURING | STRUCTURAL FABRICATION

Fabrication

- Architectural
- Build to Print Services
- Custom Solutions
- Equipment Platforms | Skids
- Handrails, Catwalks and Ladders
- Machine Guarding
- Operator Work Decks
- Pipe Bridges
- Safety Fencing
- Sheet-Metal | Spiral Duct
- Signage
- Stairs and Platforms
- Structural Steel and Misc Metals
- Suspended Platforms
- Various Coatings (e.g. PC, Black Oxide)

Manufacturing

- CDLR Conveyance
- Engraving
- MRO Support
- Plastic Belt Floor Conveyance
- Robot Risers and Tooling
- Skid Conveyance
- Spare Parts
- Tooling
- Turn-tables

Material Processing

- Laser
- Waterjet
